

24 March 2025

Dear Parents/Guardians of Secondary 3 Students,

### UPDATES ON EVENTS IN TERM 2 2025

1. We hope that your teen had meaningful and restful March holidays, and you were able to spend quality time with him/her.

At this year's Committee of Supply Debate, MOE announced initiatives to strengthen students' holistic development and maximise their potential. In recent years, MOE has made significant moves to broaden the definitions of merit and encourage holistic development in our students, such as through the PSLE Achievement Level Scoring System, and the introduction of Full Subject-Based Banding to remove streaming in secondary schools. Building on these, MOE will revise the Junior College admission criteria from 2028 (changes to the Polytechnic admission criteria from 2028 had been announced last year). By 2026, ITE will also transit its courses to a three-year curricular structure leading directly to a Higher Nitec certification. For more details, please refer to <https://www.moe.gov.sg/microsites/cos2025/>. Through the Bowen Experience, Bowenians are well-positioned to benefit from these initiatives to learn and thrive for life.

As we enter Term 2 of the school year, we trust that it will be as enriching and fulfilling for your teen as Term 1. We would like to provide you with key updates for Term 2 for our Sec 3 students.

## B. POSB Smart Buddy Programme

4. We are pleased to share that Bowen will be onboarding the POSB Smart Buddy programme for our canteen stalls in Term 2 2025. This digital payment ecosystem is being extended to all schools and once implemented, will enable cashless payments at all our canteen stalls. This will increase the efficiency of our canteen operations and provide greater convenience to all staff and students through additional payment modes (e.g. school smart card, Ezlink card, POSB/DBS ATM cards with NETS contactless logo). The school will be piloting this system in early Term 2, with plans for full implementation by the end of Term 2. More details will be shared via PG in due course.

## C. Sec 3 Experience ITE Programme

5. The programme aims to introduce students from 3R and 3K to the skills training available at the ITE colleges and enable them to better identify their interests and passion to start planning for their post-secondary education. Students will also be given the opportunity to try out a range of fun, hands-on projects which will challenge their creativity.
6. This programme will be conducted from 8.30am to 4pm at ITE College Central on **Thu 17 Apr**. Two-way transport will be provided.

## D. Student Leaders Investiture

7. Our Student Leaders Appointment Ceremony will take place on **Mon 28 Apr** during school hours. This is an important annual event where the school witnesses the handover between the current and the next Student Leaders Executive Committee. The event will also celebrate the investiture of new Student Councillors, Class Leaders, CCA Leaders, Tech Champions and Peer Support Leaders, who as role models, will lead and serve the school and their fellow Bowenians to the best of their abilities. Parents/guardians of incoming Student Leaders Executive Committee members will receive an invitation to join us for the ceremony via Parents Gateway.

## E. Celebrating Students' Achievements: 43<sup>rd</sup> Speech and Prize Presentation Day

8. Our 43<sup>rd</sup> Speech and Prize Presentation Day will be held on **Fri 2 May** from **4.00pm to 6.30pm** in the school hall. It is a key school event where we celebrate our students' academic and co-curricular successes. Prize recipients will need to report to the respective school venues by **3.00pm** (More details will be given nearer to the date). Parents/guardians of all 2024 Sec 1 to 3 Prize Recipients will be notified via Parents Gateway.
9. Please note that lessons will carry on as usual from 7.30am to 12.30pm. However, there will be no CCA

that afternoon. If your teen is involved in the Speech and Prize Presentation Day (e.g. emcees, marching contingent, CCA performers etc.), you will be informed via Parents Gateway.

## **F. Health and Road Safety Matters**

10. The school continues to prioritise student health and remains vigilant in checking in on student well-being. Your support is also crucial towards keeping Bowen a safe environment for students. Please remind your teen to practice good personal hygiene (e.g. washing/sanitising hands) and exercise personal and social responsibility. While mask-wearing is no longer required in a school setting, it remains an effective way to minimise the risk of infectious disease transmission. Students who prefer wearing masks are welcome to continue doing so.
11. If your teen is unwell, please ensure he/she stays at home and seeks medical attention if necessary. Do also inform his/her Form Teachers (FTs). If your teen is recovering from respiratory-related illness, please encourage him/her to exercise social responsibility (e.g. by wearing a mask, minimising social interactions). Social responsibility will be crucial in preventing any infectious disease outbreak in schools. In the event your teen has to miss school, his/her learning will be supported. FTs will assign a buddy to update your teen on lessons and collect his/her learning materials. Please encourage your teen to be proactive in finding out on what he/she has missed from his/her buddy.
12. At the same time, we would like to reinforce the need for all students to adhere to traffic regulations when travelling to and from school. We seek parents/guardians' support to remind our students to be aware of their surroundings and follow safe practices such as crossing public roads at correct designated areas. We would also like to take this opportunity to sincerely appeal to all parents/guardians who drive to observe the speed limit, practice safe driving and show graciousness to our staff on duty when in a school zone, for the safety and well-being of our students, staff and other stakeholders.

Thank you for your continued support and for partnering us closely as we nurture our students to be Passionate Learners, Servant Leaders and Champions of Good.

Yours faithfully,

Mr Loh Chih Hui  
Principal
